- 6 Applicant generally attends work, is generally on time, does not take unauthorised leave and attends to their work while they are at work
- 4 Applicant generally attends work, is generally on time, occasionally takes unauthorised leave and generally attends to their work while they are at work
- 2 Applicant takes time off and does not advise of their absence, attends to tasks other than work while at work

Approach to work

- 10 Applicant contributes to their team, often making suggestions for how the work could be improved or made more efficient and/or effective. Will offer to help others, will seek work to ensure team outcomes are achieved. Work is always of a consistently high standard, does not require rework. English is of a consistently high standard.
- 8 Applicant contributes to their team, sometimes making suggestions for how the work could be improved or made more efficient or effective. Will assist others if asked, will complete other's work if asked. Work is generally of a high standard, sometimes requires some rework. English is of a generally high standard.
- 6 Applicant completes their own work, does not offer suggestions to improve the team. Will reluctantly help others if asked, but always does their own work first, regardless of overall team priorities. Work is of a reasonably high standard, often requires some rework. English is of a reasonable standard.
- 4 Applicant generally completes their own work, often misses deadlines, will seek assistance only when deadlines are passed, does not offer to help others. Work is of a draft standard, always needs to be "polished". English is of an understandable standard, but grammar needs work.
- 2 Applicant does only their own work, does not take any interest in the overall work of the section or others in their area. Work is of a low standard, always needs to be corrected by others. English is of a minimum standard.

Leadership Potential

- 10 Applicant demonstrates high leadership potential, always seeks additional responsibility, makes constructive suggestions regarding improving work in the section. Is willing to assist others and contributes to the overall objectives of the section/workplace.
- 8 Applicant demonstrates some leadership potential, sometimes seeks additional responsibility, makes constructive suggestions regarding improving work in the section. Is willing to assist others and contributes to the overall objectives of the section/workplace.
- 6 Applicant demonstrates some leadership potential, will accept additional responsibility if requested
- 4 Applicant demonstrates little leadership potential, will reluctantly accept additional responsibility
- 2 Applicant demonstrates little leadership potential, will avoid additional responsibility

Problem Solving Approach

- 10 Applicant demonstrates sound ability to solve problems, looks for alternative solutions, considers the consequences of their solution and never passes problems onto others, will seek input from others to their solutions
- 8 Applicant demonstrates some ability to solve problems, sometimes looks for alternative solutions, does not always consider the consequences of their solution and will seek to solve the problem themselves, does not seek input from others to their solutions
- 6 Applicant demonstrates some ability to solve problems, rarely looks for alternative solutions, rarely considers the consequences of their solution (only thinks short term), does not involve others in the solution
- 4 Applicant demonstrates little ability to solve problems, avoids the problem, will generally seek guidance from others without forming possible solutions first
- 2 Applicant demonstrates little ability to solve problems, will either give the issue to someone else or ignore it

Report

Writing

10 Applicant is able to research, analyse and write reports which consistently meet organisational requirements. Reports are never sent back for additional work. English is of a consistently high standard.

8 Applicant is able to research, analyse and write reports which sometimes meet the requirements of the organisation. Analysis is sometimes lacking. Reports are sometimes sent back for additional work. English is of a consistently high standard.

6 Applicant is not required to research, analyse or write reports. They show some potential through other work that they have contributed to. English is of an acceptable standard.

4 Applicant has sometimes demonstrated some ability to either research or analyse and/or write reports. They require guidance to get started but can generally then complete the task. English is generally of an acceptable standard, some corrections are required.

2 Applicant has not been required to research or analyse information for reporting purposes and has not demonstrated this ability. English is generally of a marginal standard.

ADDITIONAL

Postgraduate Research Proposal

10 Research proposal strongly links to a priority of the NDS, MOP or other policy initiative of Government. Applicant shows sound understanding of NDS and MOP. Links are clear and the outcome of the research will contribute to the achievement of the priority stated.

8 Research proposal links to a priority of the NDS, MOP or other policy initiative. Applicant shows some understanding of either the NDS or the MOP. Outcomes are mentioned, but it is not clear how these outcomes will contribute to the achievement of the stated priority.

6 Research proposal has weak links to a stated priority in the NDS, MOP or other priority. Statement does not make it clear how the research will contribute to achieving the priority. Proposal is heavily based on theory with few outcomes.

4 Research proposal is valid academically, but does not demonstrate how the research will contribute to achieving a priority from the NDS, MOP or other source which is a priority to Kiribati. Applicant does not demonstrate their understanding of these documents.

2 Proposal is not clearly explained and there are no links to outcomes which would directly benefit Kiribati.

Relevance of the Program

10 The program is a technical requirement for the current position of the applicant (must be held for licensing or registration).

8 The program is a desirable qualification for the current position of the applicant (to meet an MQR that is not a licensing or registration requirement).

6 The program is a technical requirement for a likely future position of the applicant (must be held for licensing or registration).

4 The program is a desirable qualification for a likely future position of the applicant (to meet an MQR that is not a licensing or registration requirement).

2 The program is a desirable qualification for a position within the Public Sector, but not for a position (or likely position) within the current Ministry.
