Commerce PRC**

**I Program Introduction**

**(1) Basic Situation**

**A. Introduction**

Degree Education Programs sponsored by the Ministry of Commerce of People's Republic of China is designed to offer one-year and two-year master programs as well as three-year doctoral programs for the purpose of educating inter-disciplinary talent working in the applied fields of government, trade, foreign affairs, agriculture, technology, education, culture and health, building intellectual capacity and facilitating the economic and social development of the recipient countries since 2008. These programs provide assistance to governmental officials, research fellows, and senior managerial personnel on their master and doctor education in China, which are fully conducted in English. Admission requirements include a bachelor's degree, relevant working experiences, and decent physical conditions, essential for the high-compact curriculum needed for the degrees.

Up to now, the University of International Business and Economics (UIBE) has held five IEMBA program, with over 300 graduates, who are advanced administrative talents with creative thinking and global vision, being well aware of both transnational business pattern and Chinese economic environment. They are playing a more and more important role in stimulating economic cooperation between China and their home countries whose governments are attaching great attention to this program.

**B. Target of Enrollment**

Senior managers with at least 3 years of work experience, no more than 45 years old; officials with a bachelor's degree (or equivalent qualification), or a middle and senior manager who is engaged in business management and international economic cooperation in his country.

**C. Training objectives**

This program is for senior managers and business officials who are experienced in business administration. It aims to develop senior international managers with innovation ability, international vision and inter-cultural communication skills and keep them well informed with both transnational business models and Chinese commercial environment. Through the study of this project, students can not only improve the integration of knowledge and resources, but also strengthen their decision-making and execution.

**D. Enrollment Plan**

## **Degree Education Programs Sponsored by Ministry of Commerce PRC**

- h. Other expenses are managed by the Ministry of Commerce or the school and are not distributed to the students. The Ministry of Commerce only provides funding for students within the academic system. The student who postponed their graduation for personal reasons can not receive continued funding.

## **(2) School Profile**

### **A. Introduction to UIBE**

The University of International Business and Economics (UIBE), situated near the Olympic Business Center of Beijing, was founded in 1951. UIBE is a national key university under the leadership of the Ministry of Education and the Ministry of Commerce, and is one of the first batch of universities to be included in "project 211", also participated in the "Double-First Class" initiative.

UIBE pursues to be an outstanding national university and a prestigious international university with its distinct characteristics. UIBE has already become a multi-disciplinary university specialized in the fields of economics, management, liberal arts, law and science, and competitive in the subjects such as international trade, international law, finance, business management and foreign languages. UIBE is the first university in possession of both Chinese and English instructional systems at the undergraduate and postgraduate levels. At present, the university offers nearly 83 majors to overseas students of bachelor, master and doctoral study. Among them, 28 majors are offered entirely in English. UIBE is at present the only economic university in China which has been granted with four accreditations as EQUIS, AACSB, CAMEA and AMBA. In terms of AACSB, we are the first entitled

## **Degree Education Programs Sponsored by Ministry of Commerce PRC**

university among the "project 211" institutes. Being the only university with "Career Advisory Center" for International students, UIBE has established cooperative relationships with over 100 famous enterprises. In 2018, we ranked the 1st on the ratio of currently studying International students to Chinese students among all China universities, the 2nd place in employment rate, 1st place in the terms of payment increase for graduates, and 1st place on the rate of Chinese graduates studying abroad. In the 2018 ranking of "China's Best Universities" held by ShanghaiRanking, UIBE ranked the first place among economic universities.

UIBE has a total enrollment of around 16,000 full-time students including more than 2,600 international students from around 150 countries. As always, UIBE students are widely welcomed by society for their sound professional knowledge and skills, strong linguistic ability, active thinking and rich practical experience. UIBE graduates have been mainly employed in government departments, multinational corporations, financial sectors, large-scale foreign trade corporations and commercial institutions stationed abroad. They are playing an important role in promoting global economy and social development.

### **B. Introduction to SIE**

School of International Education (SIE) of UIBE is specially engaged in recruiting international students for UIBE's degree and non-degree study programs, and provides relative services. After the foreign students become one of members of the school, SIE takes the responsibility of the school register management, the visa services, the educational administration and the daily life consultation. Except the degree programs, SIE also offers language training programs, including the Chinese Language and Business Chinese at different levels, and Advance Studies on Chinese Economy and Culture.

Currently, there are more than 2,600 foreign students from around 150 countries and regions studying at the University of International Business and Economics, over 2,100 of them are taking degree courses and over 500 students are taking Chinese language courses and non-degree courses. In addition, there are lots of short-term study students and visit associations and students come to UIBE each year. UIBE has become renowned for the high quality education it has provided to thousands of foreign students over the past years. These students not only improved their Chinese proficiency at UIBE, but also learned and grasped the solid knowledge of Chinese culture, economy and trade. Many of these students have already become the backbone force to carry on the cultural exchange and the business intercourse with China.

School of International Education has Dean's Office, Admissions Office, Office for Degree Education, Office for Non-Degree Education, Department of Students' Affairs, Department of Teaching and Service Center. All staffs of SIE are well trained, full of teaching and management experience, have strong sense of responsibility and highly entrepreneurial.

### **C. Life at Beijing**

## Degree Education Programs Sponsored by Ministry of Commerce PRC

a. UIBE is situated at Olympic Business Circle of northeast Beijing. In Beijing, the climate is a typical north temperate and semi humid continental monsoon climate. It is rainy in summer, cold and dry in winter with very short spring and autumn. The average temperature is 0-15 degrees in spring. The annual average temperature is 20-35 degrees in summer. In fall, the average temperature is 15-28 degrees. In winter, the average temperature is -10-5 degrees, down jacket is needed. In 2018, the per capita disposable income of Beijing residents was 62,361 yuan. The living expense is very high in Beijing.

b. At present, there are altogether four international student apartment buildings in the school, namely Huibin Apartment (#6 Building), Hui Cai Apartment (#5 Building), Huide Apartment (#0 Building), and International Plaza (#8 Building). We have a total of 1235 (sets) standard rooms, suites and luxury suites divided into three classes from high, medium to low. A total of more than 2,200 beds are available. All rooms are designed and decorated to the hotel standards of two-star, three-star and four-star. IEMBA students will enjoy the standard of accommodation for one person, mainly living in International Exchange Building (#8 floor) and Huibin Apartment (#6 floor), all with separate bathroom and public kitchen.
